

Alumni Plus

Convert your Alumni as one of your biggest assets.

Indocosmo

Be in touch with your Alumni by providing them a platform to interact with each other. Let the count of your well wishers grow each year.

Introducing Alumni Plus, a feature rich and friendly software with high flexibility and security... all at an affordable price tag.

Alumni Plus is a social networking application specially designed for alumni management of colleges and universities. It can be privately owned and operated by each institution. This is a cost-effective hosted service which the colleges can make use without owning a separate Domain name and server space.

AlumniPlus helps colleges to create private communities and enables its alumni to get in touch each other and enhances existing relationships through which the college can have a group of well wishers.

AlumniPlus also has an integrated Job Assist program which will help your alumni to find a better career.
